FARMER HAS NARROW ESCAPE FROM DEATH

Maddened By Curtailment of Wood Cutting Privileges Threaten Revolt

PHOENIX, May 8 .- Incited to revolt by outsiders who have selfish ends to attain and with the prospect of grarvetion staring them in the face, the Indiana at Gila Crossing are in an ugly mood and a serious upris ing is threatened. A recent order issued by the bureau of Indians affairs that no more wood must be cut on the restruction has provoked the redskins to the point of open rebel-

P. B. Husches, a farmer upon the resevation, purrowly speaped with his life last Saturday when 200 angry Indians gathered around his house and demanded that he give them permits to cut wood. Hughes was nione when they called wpon him. It was only by exercising the greatest diplomacy that he evaded a fight which would probably have ended his life. The Indians think he is the one who is responsible for the order forbidding them to cut wood.

The minds of the indians were at-ready infimmed when the order "was received by Mr. Hughes. They had been listening to the teachings of John W. Leillane the educated Stoux. who had been filled with harred of the

Congressional Ball Fans Who Were Present at Riot

BROOKLYN, May S.—A three-cornered fight between Lennox of Brooklyn on one side and Knabe and Gleason of Philadelphia on the other nearly caused a riot at Brooklyn in the game with Philadelphia on the the fifth inning Knabe, going to third on Titus' single, spiked Lennox, atthough he appeared to have plenty of room to pass the Brooklyn man. Lennox resented the act striking Knabe in the jaw. Knabe hit back. The two clinched, and Gleason, who was on the coaching line, jumped in. Before the fight became general the cooler minded players separated the combatants.

All three were ordered out of the games. As Gleason walked to the hench a spectator threw a paper wad and a pop bottle at him and a special policeman who started to arrest the player's assistant was interfered with by the spectators when a crowd of 1290 rushed on the field, but a swarm of policemen and detectives rushed in and quelled the

CURRENCY PLAN

Reported That Currency Commission Will Recommend Central Government Bank

THIS WOULD PROVIDE ELASTIC CURRENCY.

Whether This Plan Will Go Depends on Aldrich of the Senate

> (Special to Review.) (By Tav.)

WSHINGTON, May 8 -According worthy information that has just been received here at the nasicral capital from Wall street, New York, the currency comission appointed by President Roosevelt to reorganize the monetary sistem of the nation will report in favor of a Wall central government bank. Street has indersed such an institution as a medium through which he may secure the "electric currency" which has been so much talked about during the liscussions in congress a ear ago last winter.

Whether the tip from Wall Street feretells correctly the action of the currency comm ss on .will not be snown for a certainty until that bod

The man who will have more than The man who will have more than any one else to say as to a central government bank will be Senator Al-drich of Rhode Island. By a peculiar coincidence he has been given more power as to the menetary features of our government than any one man ever held. His opportunity to recreating and thing the financial to reorganize and shape the financial system of our government was scarcely equalled by that of Hamilton, founder of the great business establishment of the government, and Chuse, the civil war financier.
